

EcoTank L5190

Meet Epson's next generation, cartridge-free printer. This 4-in-1 with ADF is easy-to-use, compact and features multiple connectivity solutions.

Free yourself from worrying about printing costs with this 4-in-1 cartridge-free EcoTank. You can expect an ultra-low cost per page, thanks to the included three years' worth of ink¹, that can save you up to 90%² on the cost of ink. This compact A4 inkjet printer has an Automatic Document Feeder (ADF) and a range of connectivity options including Wi-Fi, Wi-Fi Direct and Ethernet.

Ultra-low cost

Three whole years¹ – that's how long you could go without buying more ink for the L5190. This means it can save you up to 90% on the cost of ink². Giving you an extremely low cost per page, it produces up to 8,100 pages in black and 6,500 in colour with the included ink³.

Cartridge-free printing

With the equivalent of up to 82 cartridges' worth of ink², you can go longer between refills with this EcoTank printer. It uses an ultra-high-capacity ink tank to completely remove the need for cartridges. This 4-in-1 also benefits from an Automatic Document Feeder and fax.

Discover the next generation

Thanks to the ink tank being positioned at the front of the printer, this new design is compact, provides easy access for refilling, and a clear view of the ink levels. It features an enhanced ink filling system engineered to minimise the risk of spills and mess. The new bottles incorporate a mechanism that ensures only the right tanks are filled with the corresponding colour.

Flexible connectivity

With Wi-Fi and Wi-Fi Direct, your printer can receive documents to print from smart devices using the Epson iPrint⁴ app. The printer also has an Ethernet port.

Quality results

With a Micro Piezo printhead, EcoTank provides a reliable printing solution. A one year warranty is provided as standard, while promotional warranties may offer more⁵.

DATASHEET / BROCHURE

KEY FEATURES

- **Up to three years' worth of ink¹**
Equivalent of up to 82 cartridges' worth of ink included²
- **Ultra-low-cost printing**
Print up to 8,100 pages in black and 6,500 in colour³
- **Next generation ink filling system**
Enjoy hassle and mess-free refills with the enhanced ink bottles
- **Wi-Fi, Wi-Fi Direct, Ethernet**
Print from mobile devices
- **4-in-1**
Print, copy & scan and borderless photo printing

LOGISTICS INFORMATION

SKU	C11CG85404 C11CG85404DA
EAN code	8715946652191

1. 3 years' worth of ink based on average monthly print volumes of 225 pages for EcoTank home and office printers and 40 photos for EcoTank photo printers. Calculations are based on the lowest included black ink bottle page yield for home and office printers and on the lowest included photo page yield for photo printers.
2. Average number of cartridges required/savings achieved printing the same number of pages using the ink bottles included within the EcoTank range (except L805, L810, L850, L7160, L7180), excluding hardware price. Comparison made on the average of the A4 EcoTank range versus the average of the top 10 best-selling models in Central & Eastern Europe, Middle East & Africa, in the period April 2017 – March 2018, as tracked by IDC EMEA Hardcopy Tracker (Data Q1 2018), IDC EMEA HCP Consumables Tracker (Data H2 2017). Printing costs calculated on the proportion of Standard and XL cartridges as tracked by IDC for the same reference period for the Central & Eastern Europe, Middle East & Africa markets. The average selling price was calculated by dividing the revenue by the units. Ink cartridge yields as communicated by the manufacturer's websites.
3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
4. Requires a wireless connection to the internet. For more information, supported languages and devices please visit www.epsonconnect.eu
5. Terms and conditions apply. For more information visit www.epson.eu/extended-warranty
